

Notes from one *VERY* excited Elf Harry!

Eyup and greetings from one of Santa's not so little helpers. By the time the Lions Sleigh starts its regular sledge around Ryedale it will only be 24 sleeps till Christmas, HOW EXCITING !!!!!

I am busy with all the other Elves at the moment servicing the sleigh ready for an even bigger round this year. There are more and more homes to visit in Malton, Norton and surrounding villages so we have asked Santa to book another night making 14 in total this year, our biggest ever. I have been keeping an eye on Rudolph and the other reindeer. We have had them on the horse walker, getting them fit for the extra work and feeding them up on extra rations of carrots.

So have a look at the dates to see when we will bring Santa and his sleigh to you. Listen up for the music, come out and see him or give him a big wave. You never know he might have a little treat for you if you ask him nicely before Christmas Day!

Anyway, better get back to the polishing and painting – I wonder should we have some more lights on the sleigh this year? DEFINITELY !

Merry Christmas

President's Greetings!

Festive Greetings to one and all. I have the privilege this year of being the President of Malton, Norton & District Lions and here I am as Leon! The Lions motto is 'We Serve' - and we certainly do!

Every year we take families from Ryedale Special Families for a day out on the North Yorkshire Moors Railway (see above). In addition we deliver Fish & Chips to the elderly and disabled in our Community. These are two of many community based activities.

In addition Lions work behind the scenes locally to support families who have fallen through the social security net and have nowhere else to turn.

So I've two things to ask from you.

1. If you know someone who would like to know more about joining Lions, call me on 01944 758047
2. Please give generously when the Lions Sleigh passes your home.

Thanks also to our many Sponsors for their support.

On behalf of the Lions I should like to wish you a Happy Christmas and peaceful New Year.

Lion President Nick
